CERTIFICATE GENERAL PROVISIONS

Conformity With State or Federal Statutes: If any provision of the Certificate conflicts with any applicable law, the provision will be deemed to conform to the minimum requirements of the law.

Discretionary Authority: When making a benefit determination under the Policy, We have the sole discretionary authority to determine the Covered Person's or Dependent's eligibility, if applicable, for benefits and to interpret the terms, conditions, limitations, and exclusions, and all other provisions of the Policy including the Certificate of Coverage and any riders or amendments. We may delegate this discretionary authority to other entities or persons who provide services in regard to the administration of the Policy. This provision applies, however, only where the interpretation of the Policy is governed by the Employee Retirement Income Security Act (ERISA). This provision does not prevent the bringing of a legal action under the time limit for Legal Action provision, nor does it serve to deprive any insurance department of its statutory rights and obligations.

Fraud: We will focus on all means necessary to support fraud detection, investigation, and prosecution. It may be a crime if the Covered Person or the Employer knowingly, and with intent to injure, defraud or deceive Us, files a claim containing any false, incomplete, or misleading information. These actions, as well as submission of false information, will result in denial of the Covered Person's claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. We will pursue all appropriate legal remedies in the event of insurance fraud.

Incontestability: We may not contest the validity of the Policy, except for the non-payment of premiums or fraudulent misrepresentations, after it has been in force for two years from its date of issue. No statement made by any Covered Person relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person's lifetime, nor unless it is contained in a written instrument signed by him and a copy of the statement is furnished to him or his beneficiary or personal representative. This clause will not affect Our right to contest claims made for accidental death or accidental dismemberment benefits.

Information To Be Furnished: The Policyholder may be required to furnish any information needed to administer the Policy. Clerical error by the Policyholder will not:

1. affect the amount of insurance which would otherwise be in effect; or
2. continue insurance which otherwise would be terminated; or
3. result in the payment of benefits not otherwise payable.

Once an error is discovered, an equitable adjustment in premium will be made. If the premium adjustment involves the return of unearned premium, the amount of the return will be limited to the 12-month period, which precedes the date We receive proof such an adjustment should be made. We may inspect any of the Policyholder's records which relate to the Policy.

We will, upon request, provide a complete record of the Policyholder's claims experience incurred under the Policy since the last Policy Anniversary. This record shall be made available to the Policyholder not less than 30 days prior to the date upon which the premiums or terms of the Policy may be amended.

Misstatement of Age: If a Covered Person's age has been misstated, premiums will be subject to an equitable adjustment. If the amount of the benefit depends upon age, then the benefit will be that which would have been payable, based upon the person's correct age.

Workers' Compensation: The Policy is not to be construed to provide benefits required by Workers' Compensation laws.

COVERED PERSON ELIGIBILITY, EFFECTIVE DATE AND TERMINATION PROVISIONS

Covered Person's Eligibility: Employees who work on a full-time basis for a Policyholder are eligible for insurance after completion of the required Employee Waiting Period, provided they are in a class of Employees who are included. Employees will be considered to work on a full-time basis if they customarily work at least the number of hours per week shown in the Schedule of Benefits.

An Employee will become eligible for insurance on the latest of the following dates:

1. the Effective Date of the Policy;
2. the end of the Employee Waiting Period shown in the Schedule of Benefits;
3. the date the Policy is changed to include the Employee's class; or
4. the date the Employee enters a class eligible for insurance.

Effective Date of Covered Person Insurance: If an Employee is not Actively at Work on the date his insurance is scheduled to take effect, it will take effect on the day after the date he returns to Active Work. If the Employee's insurance is scheduled to take effect on a non-working day, his Active Work status will be based on the last working day before the scheduled Effective Date of his insurance.

An Employee must use forms provided by Us when applying for insurance.

The Employee's insurance will be effective at 12:01 A.M. Eastern Standard time as follows:

1. if it is Non-contributory, on the date the Employee becomes eligible for insurance, regardless of when he applies, or
2. if it is Contributory, and the Employee makes application within 31 days after the date he first became eligible, on the later of:
 - a. the date the Employee is eligible for insurance, regardless of when he applies; or
 - b. the date the Employee's application is approved by Us if evidence of insurability is required.

Effective Date of Change in Amount of Insurance: If there is an increase in the amount of the Covered Person's insurance, the increase will take effect on:

1. the policy anniversary date on or next following the date of the increase, if the Covered Person is Actively at Work on the date of increase;
2. the date the Covered Person returns to Active Work if the Covered Person is not Actively at Work on the policy anniversary date on or next following the date of the increase;
3. the policy anniversary date on or next following the date of the increase, if the policy anniversary date is a non-working day and the Covered Person was Actively at Work on his last scheduled working day before the non-working day;
4. the policy anniversary date on or next following the date of the increase if the Covered Person is on an approved layoff or leave of absence, for reasons other than a Sickness or Injury.

If evidence of insurability is required, the increase will take effect on the later of the dates indicated above or the date We approve his application.

Neither an increase nor a decrease in insurance will affect a Payable Claim that occurs prior to the increase or decrease.

A decrease in the amount of the Covered Person's insurance will take effect on the policy anniversary date on or next following the date of the decrease.

COVERED PERSON ELIGIBILITY, EFFECTIVE DATE AND TERMINATION PROVISIONS (continued)

Family and Medical Leave of Absence: If the Covered Person is on a Family or Medical Leave of Absence, his insurance will be governed by his Employer's policy on Family and Medical Leaves of Absence.

We will continue the Covered Person's insurance if the cost of his insurance continues to be paid and his Leave of Absence is approved in advance and in writing by his Employer.

The Covered Person's insurance will continue for up to the greater of:

1. the leave period required by the Federal Family and Medical Leave Act of 1993; or
2. the leave period required by applicable state law.

While the Covered Person is on a Family or Medical Leave of Absence, We will use earnings from his Employer just prior to the date his Leave of Absence started to determine Our payments to him.

If the Covered Person's insurance does not continue during a Family or Medical Leave of Absence, then when he returns to Active Work:

1. he will not have to meet a new Employee Waiting Period including a Waiting Period for insurance of a Pre-Existing Condition, if applicable; and
2. he will not have to give Us evidence of insurability to reinstate the insurance he had in effect before his Leave of Absence began.

However, time spent on a Leave of Absence, without insurance, does not count toward satisfying his Employee Waiting Period.

Termination of Covered Person Insurance: The Covered Person's insurance will terminate at 12:00 midnight Eastern Standard time on the earliest of the following dates:

1. the last day of the period for which a premium payment is made, if the next payment is not made;
2. the last day of the month during which he ceases to be a member of a class eligible for insurance;
3. the date the Policy terminates, or a specific benefit terminates; or
4. the last day of the month during which he ceases to be Actively at Work, unless
 - a. Active work ceases during an approved layoff, medical leave or non-medical leave of absence, the Life Insurance Benefit and the Accidental Death and Dismemberment Benefit will continue for up to 3 months from the date he stopped active work.
 - b. Active work ceases as a result of a disability due to a sickness or accidental injury and:
 - i. that disability began before age 60; and
 - ii. the Covered Person remains continuously disabled.

The Life Insurance and the Accidental Death and Dismemberment Benefit may be continued for up to 12 months from the date he stopped active work.

**COVERED PERSON ELIGIBILITY, EFFECTIVE DATE AND TERMINATION
PROVISIONS (continued)**

- c. For Disability Insurance, active work ceases due to a temporary layoff or approved leave of absence. In such case, insurance will not continue beyond the end of the month following the month in which the layoff or leave began. For a leave of absence governed by federal or any applicable state Family and Medical Leave of Absence law, insurance will be continued in accordance with the Family and Medical Leave of Absence provision.
- 5. the date he is no longer Actively at Work due to a labor dispute, including but not limited to a strike, work slow down or lock out.

LIFE INSURANCE BENEFIT FOR COVERED PERSON

Death Benefits: We will pay the Covered Person's beneficiary the amount of insurance in force on the date of death when We receive satisfactory proof of a Covered Person's death. The benefit will be paid in accordance with the beneficiary section.

Assignment: Life insurance as provided by the Policy may be assigned as an absolute assignment only. In making an assignment, the Covered Person must transfer all his present and future ownership rights to the person to whom he assigned the insurance. This includes the right to change the beneficiary and to convert the insurance. The Covered Person may not make a collateral or partial assignment of his insurance.

Beneficiary: The Covered Person's beneficiary will be the person(s) he names in writing to receive any amount of insurance payable due to his death.

The Covered Person may name or change a beneficiary by giving Us written notice at Our Home Office on a form acceptable to Us. When We receive the notice, it will be effective on the date made, subject to any payment We may have made before We receive it.

If the Covered Person names more than one beneficiary, those who survive will share equally unless the Covered Person specifies otherwise. If there is no named beneficiary living at the time of the Covered Person's death, We will pay any amount due in the following order:

1. to his legal Spouse; or
2. to his natural or legally adopted children in equal shares; or
3. to his estate.

We may, at Our option, pay a portion of the benefit, not to exceed \$2,000, to any person entitled thereto because of having incurred funeral or other expenses incident to the death or last illness of the Covered Person. Our liability will be discharged to the extent of the amount paid.

Notice of Claim: Written notice of a claim for death must be given to Us at Our Home Office by the Covered Person's beneficiary within 30 days of the date of death. If it is not possible, written notice must be given as soon as it is reasonably possible to do so.

The claim form is available from the Covered Person's Employer, or can be requested from Us. If the form is not received from Us within 15 days of a request, written proof of claim should be sent to Us without waiting for the form. Written proof must show the cause of death. Also, a certified copy of the death certificate must be given to Us.

Proof of Claim: Written proof of claim must be filed within 90 days of the loss. However, if it is not possible to give proof within 90 days, it must be given no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

Payment of Claim: Payment of Claim for loss of life will be paid in accordance with the beneficiary section. All other benefits under the Policy are paid to the Covered Person.

If the Covered Person has chosen an option, no one may change it unless the Covered Person consents in writing. The Covered Person's beneficiary may choose an option within 60 days after death if one has not been chosen.

Legal Action: The Covered Person may not bring suit to recover under this section until 60 days after he has given Us written proof of loss. No suit may be brought more than three years after the date the proof of loss is required to be filed.

Physical Examination and Autopsy: We have the right to have a Physician of Our choice examine the Covered Person as often as necessary while the claim is pending. We may also have an autopsy made in case of death, unless not allowed by law. We will pay the cost of the exam and autopsy.

LIFE INSURANCE BENEFIT FOR COVERED PERSON (continued)

Settlement Options: Instead of a single payment, the Covered Person may choose to have all or part of the insurance paid under one of the settlement options We have available. We will give the Covered Person full information about the options upon request.

Conversion Privilege: The Covered Person may convert:

1. all or part of his Life Insurance to an individual policy of life insurance, other than term insurance, if his insurance terminated because he ceases to be a member of a class eligible for insurance;
2. the amount of insurance to an individual policy of life insurance, other than term insurance, that is lost due to a reduction of insurance because of age;
3. a limited amount of insurance to an individual policy of life insurance, other than term insurance, if he has been continuously insured under the Policy (or the policy it replaced) for five years and the insurance terminated due to termination or amendment of the Policy. The amount the Covered Person may convert in this case is the smaller of the following:
 - a. the amount of Life Insurance which terminates, less the amount he became eligible for under any Policy within 31 days after this insurance terminated; or
 - b. \$10,000.

The Covered Person may convert to any policy, other than term insurance, We are issuing for the purpose of conversions. The conversion policy will not have disability or other supplementary benefits. No evidence of insurability will be required. The Covered Person must submit a written application and the first premium payment for the conversion policy to Our Home Office within 31 days after his insurance terminates. It is the Covered Person's responsibility to pay the premiums for the conversion policy. The premium will be based on the amount and the form of the conversion policy, and on his class of risk and age on the date the conversion takes effect.

If the Covered Person dies within the 31 days allowed for making application to convert, We will pay the amount he was entitled to convert. We will do this whether or not application was made.

A conversion policy is in lieu of benefits under this section of the Policy. However, if the Covered Person is qualified for the Waiver of Premium-Total Disability provision, the converted policy will be cancelled. Premiums paid for the converted policy will be returned.

The conversion policy will take effect on the later of:

1. its date of issue; or
2. 31 days after the date this insurance terminates.

The insurance under the Policy may be reinstated within one year after termination of employment, if the Covered Person has converted and he:

1. gives Us proof that he was Totally Disabled when his insurance terminated and that his insurance would have continued in force under the Waiver of Premium-Totally Disabled provision if he had not converted; and
2. surrenders the conversion policy to Us without claim in return for premiums paid less any unpaid policy loans.

Employees rehired after converting insurance must either lapse that insurance or provide evidence of insurability to keep that individual policy.

WAIVER OF PREMIUM – TOTAL DISABILITY FOR COVERED PERSON

We will continue the Covered Person's Life Insurance in force without premium payment while he remains Totally Disabled if he:

1. becomes Totally Disabled before age 60;
2. remains Totally Disabled continuously for at least nine consecutive months;
3. gives Us proof of Total Disability, as required.

We will waive the Covered Person's premium payment on a monthly basis, beginning the first day of the month after the month he became Totally Disabled. We will refund any premium paid for the Life Insurance after that day. We will not refund premiums for any period more than 12 months before the date proof of disability was furnished. This Waiver of Premium will continue to be effective even if the Policy terminates after the Covered Person becomes Totally Disabled.

Amount of Life Insurance Under the Total Disability Benefit: The amount of insurance continued would be the amount in force on the date the Covered Person became Totally Disabled. This amount will be reduced or terminated, based on the Schedule of Benefits in effect on the date of Total Disability. This amount will not be increased while the Covered Person remains Totally Disabled. All other Benefits will be terminated.

Death While Totally Disabled: If the Covered Person dies while his Life Insurance is being continued under Waiver of Premium, We will pay the amount of insurance if We receive proof:

1. of the Covered Person's death; and
2. that Total Disability was continuous from the date it began to the date of death.

Proof of Total Disability: We will provide forms which the Covered Person must use when giving Us proof of Total Disability. The Covered Person must give Us proof no later than 12 months after the date he became Totally Disabled. We may at any time require proof that Total Disability continues. The Covered Person must give Us proof within 60 days after Our request. After the Covered Person has been Totally Disabled for more than two years from the date of Total Disability, We will not request proof any more than once a year. We may require the Covered Person to be examined, at Our expense, by a Physician of Our choice.

Total Disability or Totally Disabled: For purposes of this section, the Covered Person will be considered Totally Disabled if he is unable to perform each and every duty of his occupation at his usual place of employment and he is unable to do the material and substantial duties of any job suited to his education, training or experience.

We may require the Covered Person to be examined by a Physician, other medical practitioner or vocational expert of Our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so.

Termination of the Total Disability Benefit: The Covered Person will no longer be eligible for the Total Disability Benefit and his Life Insurance will terminate on the earlier of the following dates:

1. the date the Covered Person ceases to be Totally Disabled. However, if he is still eligible for Life Insurance when he returns to Active Work, his Life Insurance may be continued in force if premium payments are resumed. If this is done, any increased amount of Life Insurance he may then be eligible for will take effect as described in the Effective Date of insurance provision; or

WAIVER OF PREMIUM – TOTAL DISABILITY FOR COVERED PERSON (continued)

2. the last day of the 60-day period following Our request for proof of Total Disability, if he does not give Us proof or refuses to take a medical exam;
3. the date the Covered Person reaches age 65;
4. the date premium has been waived for 12 months and the Covered Person is considered to reside outside the United States. The Covered Person is considered to reside outside the United States when he has been outside the United States for a total period of 6 months or more during any 12 consecutive months for which premium has been waived.

If the Covered Person's Total Disability ends and he does not return to Active Work, then the Covered Person may exercise the Conversion Privilege.

ACCELERATED DEATH BENEFIT FOR COVERED PERSON

The Accelerated Death Benefit payment may be taxable to the Covered Person. The Covered Person should seek assistance from his personal tax advisor regarding taxes the Covered Person may have to pay as the result of claiming Accelerated Death Benefits.

If while insured under the Policy, the Covered Person becomes terminally ill (called the "qualifying event") with a life expectancy of less than 12 months and the Covered Person has met all of the conditions set forth below, We will pay the Covered Person the amount of insurance shown in the Schedule of Benefits.

The Covered Person may elect to receive an Accelerated Death Benefit amount that is stated on the Schedule of Benefits. However, an Accelerated Death Benefit payment against the Covered Person's Life Insurance Benefit can only be made once in the Covered Person's lifetime.

The Life Insurance Benefit amount will be reduced by the amount paid under this provision.

The Covered Person must submit written medical evidence signed by the treating Physician and acceptable to Us that he is:

1. under a Physician's care for that condition, and
2. has a life expectancy of less than 12 months.

The Accelerated Death Benefit amount will be paid to the Covered Person after the Covered Person meets all of the conditions listed above.

We reserve the right to ask for a medical exam in connection with a claim.

The Covered Person must continue to pay any applicable premium for the amount of Life Insurance Benefits remaining after the reduction.

Upon the Covered Person's death, the amount of Life Insurance Benefits paid to the Covered Person's beneficiary will be reduced by the amount already paid under this provision.

Limitations: Accelerated Death Benefits will not be payable if:

1. the Covered Person has assigned his Life Insurance Benefits; or
2. We have been notified that all or a portion of the Life Insurance Benefits are to be paid to the Covered Person's former Spouse as part of a divorce agreement; or
3. the Covered Person is required by law to accelerate benefits in order to meet the claims of creditor(s); or
4. the Covered Person is required by a government agency to accelerate benefits in order to qualify for a government benefit or entitlement.

If the Covered Person suffers a loss described below, We will pay the amount of insurance that applies. The Covered Person, or the Covered Person's beneficiary, must give Us proof that:

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON

Definition of Disabled or Disability:

The Covered Person is Disabled or has a Disability when We determine that:

1. he is not Actively at Work and is unable to perform some or all of the Material and Substantial Duties of his regular Occupation due to his Sickness or Injury; and
2. he has an 20% or more loss in Pre-Disability Weekly Earnings due solely to the same Sickness or Injury; and
3. he is under the Regular Care of a Physician.

Disability must begin while the Covered Person is insured under the Policy.

Material and Substantial Duties: duties that

1. are normally required for the performance of the Covered Person's Regular Occupation; and
2. cannot be reasonably omitted or modified.

Regular Occupation means: the occupation which the Covered Person is routinely performing when his Disability occurs. We will look at the Covered Person's occupation as it is normally performed in the national economy instead of how the work tasks are performed for a specific Employer or at a specific location.

The loss of a professional or occupational license or certification, work permit, or visa does not, in itself, mean the Covered Person is Disabled. Additionally, economic factors, such as recession, job obsolescence, pay-cuts and job sharing will not be considered in determining whether the Covered Person meets the definition of Disability/Disabled.

We require the Covered Person to be under the Regular Care of a Physician for the Sickness or Injury causing his Disability in order to be eligible to receive payments from Us.

We may require the Covered Person to be examined by Physicians, other medical practitioners or vocational experts of Our choice. We will pay for these examinations. We can require examinations as often as it is reasonable to do so. We may also require the Covered Person to be interviewed by an authorized representative of Ours. Refusal to be examined or interviewed may result in denial or termination of his claim.

Calculating the Weekly Payment:

The Covered Person's Weekly Payment will be determined as follows:

1. If the Covered Person is Disabled and not working, or working and earning less than 20% of his Pre-Disability Weekly Earnings, the Covered Person's Weekly Payment will be determined as follows:
 - a. Multiply his Pre-Disability Weekly Earnings by the Benefit Percent.
 - b. Compare the result in Step 1a with the Maximum Weekly Benefit.
 - c. The lesser of these two amounts is the Covered Person's weekly Gross Disability Payment.
 - d. Subtract from his weekly Gross Disability Payment any Other Income Benefit amounts that he receives or is eligible to receive. The result is the Covered Person's Weekly Payment.

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON (Continued)

2. If the Covered Person is Disabled and working earning between 20% and 80% of his Pre-Disability Weekly Earnings, the Covered Person's Weekly Payment will be determined as follows:
 - a. Multiply his Pre-Disability Weekly Earnings by the Benefit Percent.
 - b. From 100% of his Pre-Disability Weekly Earnings subtract any Other Income Benefits, and any income he earns or receives from any form of employment.
 - c. Compare the result in Steps 2a and 2b with the Maximum Weekly Benefit.
 - d. The lesser of the amounts from 2c is the Covered Person's Weekly Payment.

After the Elimination Period, if the Covered Person is Disabled for only part of a week, We will send him 1/7th of his Weekly Payment for each day of Disability.

Gross Disability Payment means: the payment amount before We subtract Other Income Benefits and Disability Earnings.

Receipt of Disability Payments: The Covered Person will begin to receive payments when We approve his claim, provided the Elimination Period has been met and he is Disabled. We will send him a payment each week for any period for which We are liable. If he is Disabled and working, proof of Disability Earnings will be required before benefits are paid.

Disability Earnings mean: the earnings, which the Covered Person receives while Disabled, and working.

Elimination Period means: the length of time the Covered Person must be continuously Disabled before a benefit is payable. The Elimination Period begins on the first day of Disability.

Hospital Confined or Hospital Confinement means: the Covered Person is admitted as an inpatient in a Hospital or Medical Facility for a period of at least 24 hours for the condition resulting in his Disability.

Disability During a Covered Layoff or Leave of Absence: If the Covered Person becomes Disabled while he is on a covered layoff or leave of absence, We will calculate his benefit using his Pre-Disability Weekly Earnings from his Employer in effect just prior to the date his absence begins.

Other Income Benefits: We will subtract from the Covered Person's Gross Disability Payment the following Other Income Benefits:

1. any benefits and awards he receives or is eligible to receive under:
 - a. Workers' Compensation Law;
 - b. occupational disease Law; or
 - c. any other similar Act or Law.unless this insurance is issued on a non-occupational basis as shown in the Schedule of Benefits.
2. any Disability income benefits he receives or is eligible to receive under:
 - a. any compulsory benefit act or Law;
 - b. any other group insurance policy with the Employer or with an association;
 - c. any other group insurance policy with another employer under which he becomes covered while he is Disabled under the Policy; or
 - d. any governmental retirement system as the result of his job with his Employer.

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON (Continued)

3. any benefits under the United States Social Security Act, The Canada Pension Plan, The Quebec Pension Plan, the Jones Act and any other similar plan or Act. Benefits include:
 - a. Disability benefits he is eligible to receive and any disability benefits his Spouse or his children receive or are eligible to receive as a result of his Disability.
 - b. retirement benefits he receives and any retirement benefits his Spouse or his children receive as a result of his receipt of retirement benefits.

If the Covered Person's Disability begins after his 70th birthday, and he was receiving Social Security retirement benefits before his Disability began, then We will not reduce Our payments to him by these retirement benefits.

Pension Plan means: a plan that provides retirement benefits and which is not wholly funded by Employee contributions. The term does not include a profit sharing plan, a thrift plan, an individual retirement account (IRA), a tax sheltered annuity plan (TSA), a stock ownership plan or a non-qualified plan of deferred compensation.

4. any benefits he receives from his Employer's sick leave or salary continuation plan.
5. any benefits from the Employer's Retirement Plan he:
 - a. receives as disability benefits;
 - b. voluntarily chooses to receive as retirement benefits; or
 - c. receives as retirement benefits once he reaches the greater of age 62 or normal retirement age, as defined in his Employer's Retirement Plan.

Regardless of how the retirement funds from the plan are distributed, for the purposes of determining Our payment to the Covered Person, We consider Employee and Employer contributions to be distributed at the same time throughout the Covered Person's lifetime.

We will not reduce payments the Covered Person receives from Us for his contributions to the Employer's Retirement Plan, or for amounts he rolls over or transfer to an eligible Retirement Plan.

Disability benefits under a retirement plan are benefits that are paid due to disability and which do not reduce the retirement benefits which would have been paid if the disability had not occurred.

Retirement benefits under a retirement plan are benefits that are paid based on the Covered Person's Employer's contribution to the retirement plan. Disability benefits that reduce the retirement benefits under the plan will also be considered a retirement benefit.

Eligible retirement plan is defined in Section 402 of the Internal Revenue Code of 1986 and includes future amendments to Section 402 affecting the definition.

6. any benefits for loss of time or lost wages he receives from the mandatory portion of a no-fault motor vehicle insurance plan, or automobile liability insurance policy.
7. any amount he receives under any unemployment compensation Law, unless this insurance is issued on a non-occupational basis as shown in the Schedule of Benefits.
8. any amounts he receives from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.

If the Covered Person receives any of the Other Income Benefits in a lump sum payment, We will pro-rate the lump sum on a weekly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a weekly basis to the end of the Covered Person's Maximum Benefit Period.

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON (Continued)

Other Income Benefits must be payable as a result of the same Disability for which the Covered Person is receiving a payment from Us, except for retirement benefits.

We will NOT subtract from the Covered Person's Gross Disability Payment any amounts he receives from the following sources:

1. 401(k) plans
2. profit sharing plans
3. thrift plans
4. tax sheltered annuities
5. stock ownership plans
6. non-qualified plans of deferred compensation
7. Pension Plans for partners
8. military pension and military disability income plans
9. credit disability insurance
10. franchise disability income plans
11. a Retirement plan from another employer
12. Individual Retirement Accounts (IRA)
13. benefits from individual disability plans

Affect of Other Income Benefits on Payment: If subtracting Other Income Benefits results in a zero benefit, We will pay the Covered Person the Minimum Weekly Benefit shown in the Schedule of Benefits. The Minimum Weekly Benefit, however, may be applied toward an outstanding overpayment.

Estimating Amounts of Other Income Benefits: We have the right to estimate the amount of benefits the Covered Person may be eligible to receive under the "Other Income Benefits" section. We can reduce Our payments to him by the estimated amount if:

1. he has not been awarded but has not been denied such benefits; or
2. he has been denied such benefits and the denial is being appealed; or
3. he is reapplying for such benefits.

We will NOT reduce Our payments to the Covered Person by the estimated amount if:

1. he applies or reapplies for the benefits and appeals his denial through all of the administrative levels We believe are necessary; or
2. he signs Our reimbursement agreement form stating that he promises to pay Us any overpayment caused by an award.

If We reduce Our payments to the Covered Person by an estimated amount:

1. We will adjust Our payment to him when he provides proof of the amount awarded; or
2. We will issue a lump sum refund of the estimated amount if he was denied benefits and has completed all appeals (or reapplications) We believe are necessary.

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON (Continued)

Continuity Of Insurance Upon Transfer Of Insurance Carriers: In order to prevent loss of insurance for a Covered Person because of a transfer of insurance carriers, We will provide insurance for certain Employees as follows:

Employees who are not Actively at Work due to Sickness or Injury:

We will insure the Employee under the Policy if the prior group insurance policy insured him and the cost of his insurance under the prior group insurance policy was paid.

Our payments to the Employee will be limited to the lesser of the Weekly Payment under this Policy or the weekly payment the prior group insurance policy would have paid him, had that policy stayed in effect. Our payments will be reduced by any amount the prior group insurance policy is responsible for paying.

Recurrent Disability: If the Covered Person's current Disability is related or due to the same causes(s) as his prior Disability for which We made a payment, We will treat his current Disability as part of his prior claim. He will not have to complete another Elimination Period if he returns to Active Work for his Employer on a full time basis for 14 consecutive days or less. His Disability will be subject to the same terms of the Policy as his prior claim and will be treated as a continuation of that Disability.

Any Disability which occurs after 14 consecutive days from the date the Covered Person's prior claim ended will be treated as a new claim. His new claim will be subject to all of the provisions, including the Elimination Period.

If he becomes entitled to benefits under any other Group Short Term Disability policy, he will not be eligible for payments under the Policy.

Recurrent Disability means: a Disability that is:

1. caused by a worsening in the Covered Person's condition; and
2. due to the same or related cause(s) as his prior Disability for which We made a payment.

Multiple Causes: If a period of Disability is extended by a new, unrelated cause while benefits are payable, benefits will continue while the Covered Person remains Disabled, subject to the following:

1. benefits will not continue beyond the end of the original Maximum Benefit Period; and
2. any Exclusions will apply to the new cause of Disability.

Concurrent Disability: Benefits for a Concurrent Disability will be paid as if the Concurrent Disability were caused by one Injury or one Sickness. In no event will a Covered Person be considered to have more than one continuous period of Disability at the same time.

Concurrent Disability means: one continuous period of Disability that is caused by more than one Injury or Sickness.

Rehabilitation Services: A rehabilitation program is available to assist the Covered Person in his return to work. Participation in this program is voluntary on his part and will be offered at Our discretion.

Our vocational rehabilitation specialists will review the Covered Person's file to determine if rehabilitation services might help him return to a Gainful Occupation. Once the review is completed, We may offer and pay for a return to work program. We will work with the Covered Person's Physician and other appropriate specialists to develop a plan that best suits the Covered Person's needs.

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON (Continued)

The return to work program may include, but is not limited to, the following services:

1. coordination with the Covered Person's Employer to assist him in his return to work;
2. evaluation of adaptive equipment to allow the Covered Person to work;
3. vocational evaluation to determine how his Disability may impact his employment options;
4. job placement services;
5. resume preparation;
6. job seeking skills training;
7. retraining for a new occupation; or
8. assistance with relocation that may be part of an approved return to work program.

Gainful Occupation means: an occupation that can be expected to provide the Covered Person with an income at least equal to his Gross Disability Payment within 6 months of his return to work, considering:

1. his past training, as well as training he could receive;
2. his education and experience; and
3. his physical and mental capacity.

Gainful Occupation will be determined with the assistance of a licensed vocational or rehabilitation specialist.

In addition, We will make weekly payments to the Covered Person for 3 weeks following the date his Disability ends if We determine he is no longer Disabled while:

1. he is participating in Our rehabilitation program; and
2. he is not able to find employment.

Employee Outreach Services: We may provide Employee Outreach Services for a Covered Person who has a medical disability accompanied by psychosocial problems that may interfere with his recovery and return to work.

Employee Outreach Services will be provided at our discretion and may include, but are not limited to:

1. service provider referrals; and
2. identifying available community and state resources that may be helpful in the Covered Person's recovery and return to work.

Termination of Benefits: We will stop sending the Covered Person payments and his claim will end on the earliest of:

1. the date he is no longer Disabled according to the terms of the Policy;
2. the date he reaches the end of the Maximum Benefit Period;
3. the date he fails to provide proof of continuing Disability;
4. the date he is able to increase his Disability Earnings by increasing the number of hours he works or the number of duties he performs, but he chooses not to do so;
5. the date he refuses to be examined by a Physician, if such an exam is requested by Us;
6. the date he refuses to be interviewed by one of Our representatives;
7. the date he ceases to be under the Regular Care of a Physician;
8. the date he dies.

WORKING RETURNS SHORT TERM DISABILITY INSURANCE FOR COVERED PERSON (Continued)

General Exclusions: We will not cover a Disability under the Policy if it is due to:

1. an act or accident of war, declared or undeclared, whether civil or international, and any substantial armed conflict between organized forces of a military nature;
2. intentionally self-inflicted Injuries;
3. active participation in a riot;
4. committing or attempting to commit a felony;
5. an Occupational Sickness or Injury if the Schedule of Benefits indicates that benefits are issued on a non-occupational basis. However, We will cover Disabilities due to an Occupational Sickness or Injury for partners or sole proprietors who cannot be covered by Workers' Compensation Law.

We will not make a payment for any period of time during which the Covered Person is incarcerated or under House Arrest. The Maximum Benefit Period will be reduced by the amount of time he is incarcerated or under House Arrest after completion of the Elimination Period.

Occupational Sickness or Injury means: an Injury or Sickness which is paid or payable by any workers' compensation law, occupational disease law or similar law.

House Arrest means: any restriction placed on the Covered Person's movement outside of his home by a court of competent jurisdiction. Compliance with such restriction is regularly monitored using electronic or other means.

If the Covered Person does not receive the form from Us within 15 days of sending the notice of claim, written proof of claim should be sent to Us without waiting for the form. The Covered Person must notify Us immediately when he returns to work in any capacity.

In some cases, the Covered Person will be required to give Us authorization to obtain additional medical information, and to provide non-medical information as part of his proof of claim, or proof of continuing Disability. We will deny a Covered Person's claim or stop sending him payments if the appropriate information is not submitted.

Payment of Claim: When We receive satisfactory proof of claim, benefits for loss of time will be paid on a monthly basis, while the loss and Our liability continue. Following the end of Our liability, We will pay any remaining benefit due as soon as possible.

Except as otherwise noted for specified additional benefits that may be included in the Policy, all benefits are payable to the Covered Person. If a benefit is payable to the Covered Person's estate, to a minor or to someone who is not competent to give a valid release, We have the right to pay up to \$1,000 to any of the Covered Person's relatives whom We consider entitled. Any amount We pay in good faith releases Us from further liability, but only for the amount paid.

Overpayment of Claim: We have the right to recover any overpayments due to:

1. fraud;
2. any error We make in processing a claim; and
3. the Covered Person's receipt of Other Income Benefits.

The Covered Person must reimburse Us in full. We will determine the method by which the repayment is to be made. We have the right to recover overpayment from the Covered Person's Spouse if living, otherwise children under the age of 26 or estate.

Legal Action: The Covered Person may not bring suit to recover under this section until 60 days after he has given Us written proof of loss. No suit may be brought more than three years after the date the proof of loss is required to be filed.

Physical Examination and Autopsy: We have the right to have a Physician of Our choice examine the Covered Person, as often as necessary while the claim is pending. We may also have an autopsy made in case of death, unless not allowed by law. We will pay the cost of the exam and autopsy.

The Lump Sum Survivor Benefit will be paid if, on the date of the Covered Person's death:

1. his Disability had continued for at least 15 consecutive days; and
2. he was receiving or was entitled to receive a Weekly Payment under the Policy.

If the Covered Person has no living Spouse or children, payment will be made to his estate. However, We will first apply the survivor benefit to any overpayment which may exist on his claim.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON

Definition of Disabled or Disability:

The Covered Person is Disabled or has a Disability when We determine that:

1. he is not Actively at Work and is unable to perform some or all of the Material and Substantial Duties of his Regular Occupation due to his Sickness or Injury; and
2. he has a 20% or more loss in Indexed Pre-Disability Monthly Earnings due solely to the same Sickness or Injury; and
3. he is under the Regular Care of a Physician.

After 24 months of payments, the Covered Person is Disabled when We determine that due to the same Sickness or Injury, he is unable to perform some or all of the material and substantial duties of any Gainful Occupation for which he is reasonably fitted by education, training or experience and he continues to suffer a 20% or more loss in his Indexed Pre-Disability Monthly Earnings due solely to the Sickness or Injury.

Disability must begin while the Covered Person is insured under the Policy.

Material and Substantial Duties: duties that

1. are normally required for the performance of the Covered Person's Regular Occupation; and
2. cannot be reasonably omitted or modified.

Regular Occupation means: the occupation which the Covered Person is routinely performing when his Disability occurs. We will look at the Covered Person's occupation as it is normally performed in the national economy instead of how the work tasks are performed for a specific Employer or at a specific location.

Gainful Occupation means: an occupation that can be expected to provide the Covered Person with an income at least equal to his Gross Disability Payment within 12 months of his return to work, considering:

1. his past training, as well as training he could receive;
2. his education and experience; and
3. his physical and mental capacity.

Gainful Occupation will be determined with the assistance of a licensed vocational or rehabilitation specialist.

The loss of a professional or occupational license or certification does not, in itself, mean the Covered Person is Disabled. Additionally, economic factors, such as recession, job obsolescence, pay-cuts and job sharing will not be considered in determining whether the Covered Person meets the definition of Disability/Disabled.

We require the Covered Person to be under the Regular Care of a Physician for the Sickness or Injury causing his disability in order to be eligible to receive payments from Us.

We may require the Covered Person to be examined by Physicians, other medical practitioners or vocational experts of Our choice. We will pay for these examinations. We can require examinations as often as it is reasonable to do so. We may also require the Covered Person to be interviewed by an authorized representative of Ours. Refusal to be examined or interviewed may result in denial or termination of his claim.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

Transplant Benefit: If, while insured under the Policy, the Covered Person donates an organ for an Organ Transplant Procedure, and as a result he becomes Disabled, We will consider him to be Disabled as a result of Sickness and his Elimination Period will be waived. Disability resulting from an Organ Transplant Procedure will have a limited pay period of 12 months. This benefit will be payable only once in the Covered Person's lifetime. Benefit payments will be subject to all of the provisions contained in the Policy, except for those that are in conflict with the provisions of this Transplant Benefit.

Organ Transplant Procedure means: the Covered Person donates any of the following for transplantation into another person: kidney, liver, lung, skin or bone marrow.

Calculating the Monthly Payment:

The Benefit Percent and Maximum Monthly Benefit are shown in the Schedule of Benefits.

Calculate the Covered Person's Monthly Payment as follows:

1. Multiply the Covered Person's Pre-Disability Monthly Earnings by the Benefit Percent.
2. Compare the result in Step 1 with the Maximum Monthly Benefit.
3. The lesser of these two amounts is the Covered Person's monthly Gross Disability Payment.
4. Subtract from his monthly Gross Disability Payment all Other Income Benefit amounts that he receives or is eligible to receive. The result is the Covered Person's Monthly Payment.

In no event will the Covered Person's Monthly Payment exceed the Maximum Monthly Benefit.

If the Covered Person is Disabled and working, earning between 20% and 80% of his Indexed Pre-Disability Monthly Earnings calculate his benefit payment as follows:

Calculate the Covered Person's Gross Disability Payment as follows:

1. Multiply his Pre-Disability Monthly Earnings by the Benefit Percent.
2. Compare the result in Step 1 with the Maximum Monthly Benefit.
3. The lesser of these two amounts is the Covered Person's Gross Disability Payment, which is used in the benefit calculation below.

When the Covered Person first returns to work during a period of disability, the Work Incentive Benefit establishes that, for 24 months, his Monthly Payment, as determined above, will not be reduced as long as Payment does not exceed 100% of his Indexed Pre-Disability Monthly Earnings.

During the period of time that the Work Incentive Benefit applies:

1. Add the Covered Person's monthly Disability Earnings to his Gross Disability Payment, as calculated above.
2. Compare the result in Step 1 to his Indexed Pre-Disability Monthly Earnings.
3. If the result from Step 2 is less than or equal to 100% of the Covered Person's Indexed Pre-Disability Monthly Earnings, We will not further reduce his Monthly Payment, as calculated above.
4. If the result in Step 2 is greater than 100% of the Covered Person's Indexed Pre-Disability Monthly Earnings, We will subtract the amount over 100% from his Monthly Payment, as calculated above.

The result is the amount We will pay the Covered Person each month.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

After the period of time that the Work Incentive Benefit applies:

1. Subtract the Covered Person's Disability Earnings from his Indexed Pre-Disability Monthly Earnings.
2. Divide the result in Step 1 by his Indexed Pre-Disability Monthly Earnings. This is his percentage of lost earnings.
3. Multiply the Covered Person's Monthly Payment, as calculated above, by the answer in Step 2.

The result is the amount We will pay the Covered Person each month.

After the Elimination Period, if the Covered Person is Disabled for only part of a month, We will send him 1/30th of his payment for each day of Disability.

Gross Disability Payment means: the payment amount before We subtract Other Income Benefits and Disability Earnings.

Monthly Payment means: the payment amount after We subtract any Other Income Benefits.

Elimination Period means: the length of time the Covered Person must be continuously Disabled before a benefit is payable. The Elimination Period begins on the first day of Disability. If the Covered Person returns to work for a period of time not to exceed the Accumulation of Elimination Period and cannot continue, he will not have to begin a new Elimination Period. However, We will count only those days he is Disabled toward satisfying the Elimination Period. The Elimination Period and the Accumulation of Elimination Period are shown in the Schedule of Benefits.

Disability Earnings mean: the earnings, which the Covered Person receives while Disabled, and working.

Indexed Pre-Disability Monthly Earnings: The Covered Person's Pre-Disability Monthly Earnings adjusted on each anniversary of benefit payments by the lesser of 5% or the current annual percentage increase in the Consumer Price Index (CPI-W). The Covered Person's Indexed Pre-Disability Monthly Earnings may increase or remain the same, but will never decrease. This manner of indexing is only used to determine the Covered Person's percentage of lost earnings while he is Disabled and working and in the determination of Gainful Occupation. Consumer Price Index (CPI-W) means: the index for Urban Wage Earners and Clerical Workers published by the U.S. Department of Labor. We reserve the right to use some other similar measurement if the Department of Labor changes or stops publishing the CPI-W.

Receipt of Disability Payments: The Covered Person will begin to receive payments when We approve his claim, provided the Elimination Period has been met and he is Disabled. We will send him a payment each month for any period for which We are liable. If he is Disabled and working, proof of Disability Earnings will be required before benefits are paid.

Disability During a Covered Layoff or Leave of Absence: If the Covered Person becomes Disabled while he is on a covered Layoff or Leave of Absence, We will calculate his benefit using his Pre-Disability Monthly Earnings from his Employer in effect just prior to the date his absence begins.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

Fluctuation of Disability Earnings: If the Covered Person's Disability Earnings fluctuate, We may average his Disability Earnings over the most recent 3 months to determine if his claim should continue subject to all other terms and conditions in the Policy.

If We average his Disability Earnings, We will not terminate his claim unless the average of his Disability Earnings from the last 3 months exceeds 80% of his Indexed Pre-Disability Monthly Earnings.

We will not pay the Covered Person for any month during which Disability Earnings exceed the amount allowable under the Policy.

Other Income Benefits: We will subtract from the Covered Person's Gross Disability Payment the following Other Income Benefits:

1. any benefits and awards he receives or is eligible to receive under:
 - a. Workers' Compensation Law;
 - b. occupational disease Law; or
 - c. any other similar Act or Law.
2. any Disability income benefits he receives or is eligible to receive under:
 - a. any compulsory benefit Act or Law;
 - b. any other group insurance policy with the Employer or with an association;
 - c. any other group insurance policy with another Employer under which he becomes insured while he is Disabled under the Policy; or
 - d. any governmental retirement system as the result of his job with his Employer.
3. any benefits under the United States Social Security Act, The Canada Pension Plan, The Quebec Pension Plan, the Jones Act, and any other similar plan or Act. Benefits include:
 - a. Disability benefits he is eligible to receive and any disability benefits his Spouse or his children receive or are eligible to receive as a result of his Disability.
 - b. retirement benefits he receives and any retirement benefits his Spouse or his children receive as a result of his receipt of retirement benefits.

If the Covered Person's Disability begins after his 70th birthday, and he was receiving Social Security retirement benefits before his Disability began, then We will not reduce Our payments to him by these retirement benefits.

Pension Plan means: a plan that provides retirement benefits and which is not wholly funded by Employee contributions. The term does not include a profit sharing plan, a thrift plan, an individual retirement account (IRA), a tax sheltered annuity plan (TSA), a stock ownership plan or a non-qualified plan of deferred compensation.

4. any benefits he receives from the Employer's sick leave or salary continuation plan.
5. any benefits from the Employer's retirement plan, the Public Employees Retirement System and the State Teachers Retirement System he:
 - a. receives as disability benefits;
 - b. voluntarily chooses to receive as retirement benefits; or
 - c. receives as retirement benefits once he reaches the greater of age 62 or normal retirement age, as defined in his Employer's Retirement Plan.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

Regardless of how the retirement funds from the plan are distributed, for the purposes of determining Our payment to the Covered Person, We consider Employee and Employer contributions to be distributed at the same time throughout the Covered Person's lifetime.

We will not reduce payments the Covered Person receives from Us for his contributions to the Employer's retirement plan, or for amounts he rolls over or transfer to an eligible Retirement Plan.

Disability benefits under a retirement plan are benefits that are paid due to disability and which do not reduce the retirement benefits which would have been paid if the disability had not occurred.

Retirement benefits under a retirement plan are benefits that are paid based on the Covered Person's Employer's contribution to the retirement plan. Disability benefits that reduce the retirement benefits under the plan will also be considered a retirement benefit.

Eligible retirement plan is defined in Section 402 of the Internal Revenue Code of 1986 and includes future amendments to Section 402 affecting the definition.

6. any benefits for loss of time or lost wages he receives from the mandatory portion of a no-fault motor vehicle insurance plan, or automobile liability insurance policy.
7. any amount he receives under any unemployment compensation Law.
8. any amounts he receives from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.

If the Covered Person receives any of the Other Income Benefits in a lump sum payment, We will pro-rate the lump sum on a monthly basis over the time period for which the sum was given. If no time period is stated, the sum will be pro-rated on a monthly basis to the end of the Covered Person's Maximum Benefit Period.

Other Income Benefits must be payable as a result of the same Disability for which the Covered Person is receiving a payment from Us, except for retirement benefits.

We will NOT subtract from the Covered Person's Gross Disability Payment any amounts he receives from the following sources:

1. 401(k) plans
2. profit sharing plans
3. thrift plans
4. tax sheltered annuities
5. stock ownership plans
6. non-qualified plans of deferred compensation
7. Pension plans for partners
8. military pension and military disability income plans
9. credit disability insurance
10. franchise disability income plans
11. a retirement plan from another Employer
12. Individual Retirement Accounts (IRA)
13. individual disability income plans

Affect of Other Income Benefits on Payment: If subtracting Other Income Benefits results in a zero benefit, We will pay the Covered Person the Minimum Monthly Benefit shown in the Schedule of Benefits. The Minimum Monthly Benefit, however, may be applied toward an outstanding overpayment.

**WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR
COVERED PERSON (continued)**

Cost of Living Increases: After the first deduction for each of the Other Income Benefits, We will not further reduce the amount of the Covered Person's Monthly Payment under the Policy due to cost of living increases he receives from any of the sources described in the "Other Income Benefits" section.

Estimating Amounts of Other Income Benefits: We have the right to estimate the amount of benefits the Covered Person may be eligible to receive under the "Other Income Benefits" section. We can reduce Our payments to him by the estimated amount if:

1. he has not been awarded but have not been denied such benefits; or
2. he has been denied such benefits and the denial is being appealed; or
3. he is reapplying for such benefits.

We will NOT reduce Our payments to the Covered Person by the estimated amount if:

1. he applies or reapplies for the benefits and appeals his denial through all of the administrative levels We believe are necessary;
2. he signs Our reimbursement agreement form stating that he promises to pay Us any overpayment caused by an award.

If We reduce Our payments to the Covered Person by an estimated amount:

1. We will adjust Our payment to him when he provides proof of the amount awarded; or
2. We will issue a lump sum refund of the estimated amount if he was denied benefits and has completed all appeals (or reapplications) We believe are necessary.

Termination of Benefits: We will stop sending the Covered Person payments and his claim will end on the earliest of:

1. the date he is no longer Disabled according to the terms of the Policy;
2. the date he reaches the end of the Maximum Benefit Period;
3. the date he fails to provide proof of continuing Disability;
4. the date his Disability Earnings exceed the amount allowable under the Policy;
5. the date he is able to increase his Disability Earnings by increasing the number of hours he work or the number of duties he performs but he chooses not to do so;
6. the date he refuses to be examined by a Physician, if such an exam is requested by Us;
7. the date he refuses to be interviewed by one of Our representatives;
8. the date he ceases to be under the Regular Care of a Physician;
9. the date he dies.

If the Covered Person is a citizen of the United States and is receiving Treatment outside of the United States, We may require him to return to the United States for Treatment. Failure to do so when requested may result in termination of benefits.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

Limitations:

Disabilities due to Mental Illness or Substance Abuse have a limited pay period of 24 months. This is a lifetime cumulative maximum benefit period for Disabilities due to Mental Illness or Substance Abuse.

We will continue to send the Covered Person payments beyond the limited pay period if he is confined to a Hospital or Medical Facility. If he is still Disabled when he is discharged, We will send him payments for a recovery period of up to 90 days. If he becomes re-confined at any time during the recovery period and remains confined for at least 14 days in a row, We will send payments during that additional confinement and for one additional recovery period up to 90 more days.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

General Exclusions: We will not cover a Disability under the Policy if it is due to:

1. an act or accident of war, declared or undeclared, whether civil or international, and any substantial armed conflict between organized forces of a military nature;
2. intentionally self-inflicted Injuries;
3. active participation in a riot;
4. committing or attempting to commit a felony.

We will not make a payment for any period of time during which the Covered Person is incarcerated or under House Arrest. The Maximum Benefit Period will be reduced by the amount of time he is incarcerated or under House Arrest after completion of the Elimination Period.

House Arrest means: any restriction placed on the Covered Person's movement outside of his home by a court of competent jurisdiction. Compliance with such restriction is regularly monitored using electronic or other means.

Pre-Existing Condition Exclusion: 3/12

We will not cover any Disability that begins during the first 12 months after the Covered Person's Effective Date of insurance that is caused or contributed to by a Pre-Existing Condition.

Pre-Existing Condition means: any Sickness or Injury including Mental Illness, Substance Abuse or Subjective Symptoms for which the Covered Person, within 3 months prior to his Effective Date of insurance:

1. was diagnosed by or received Treatment from a legally qualified Physician; or
2. had symptoms for which an ordinarily prudent person would have sought Treatment.

Continuity of Insurance Upon Transfer of Insurance Carriers: In order to prevent loss of insurance for a Covered Person because of a transfer of insurance carriers, We will provide insurance for certain Employees as follows:

Employees who are not Actively at Work due to Sickness or Injury:

We will insure the Employee under this Policy if the prior group insurance policy insured him and the cost of his insurance under the prior group insurance policy was paid.

Our payments to the Employee will be limited to the lesser of the Monthly Payment under the Policy or the monthly benefit the prior group insurance policy would have paid him, had that policy stayed in effect. Our payments will be reduced by any amount the prior group insurance policy is responsible for paying.

Employees who are Disabled due to a Pre-Existing Condition:

If the Employee was insured by the prior group insurance policy immediately prior to becoming eligible for insurance under this Policy, he is Actively at Work and he is insured under this Policy, then he may be eligible for payments under this Policy if his Disability is due to a Pre-Existing Condition.

In order to receive payments from Us, the Employee must satisfy the Pre-Existing Condition Exclusion test of:

1. this Policy; or
2. the prior group insurance policy, had that policy stayed in effect.

We will give credit toward continuous time insured under both policies. We will determine Our payments using the provisions of this Policy, but the Employees Monthly Payment will not be more than the maximum monthly payment of the prior group insurance policy.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

The Employee's Monthly Payment will end on the earlier of the following:

1. the end of the Maximum Benefit Period;
2. the date benefits would have ended under the prior group insurance policy, if the policy had stayed in effect.

If the Employee cannot satisfy the Pre-Existing Condition Exclusion test of either policy, then he will not be eligible for a Monthly Payment.

Recurrent Disability: If the Covered Person's current Disability is related or due to the same causes(s) as his prior Disability for which We made a payment, We will treat his current Disability as part of his prior claim and he will not have to complete another Elimination Period if he returns to Active Work for his Employer on a full time basis for 6 consecutive months or less. His Disability will be subject to all of the provisions as his prior claim and will be treated as a continuation of that Disability.

Any Disability which occurs after 6 consecutive months from the date the Covered Person's prior claim ended will be treated as a new claim. His new claim will be subject to all of the provisions, including the Elimination Period.

If the Covered Person returns to work for another Employer, We will treat a Recurrent Disability the same as established above for the first 6 months following his return to work. Any Recurrent Disability that occurs more than 6 months but less than 12 months after the end of the Covered Person's prior Disability will be treated as a continuation of the prior Disability, but the Covered Person will be required to complete a new Elimination Period.

If the Covered Person becomes entitled to benefits under any other Group Long Term Disability policy, he will not be eligible for payments under the Policy.

Recurrent Disability means: a Disability that is:

1. caused by a worsening in the Covered Person's condition; and
2. due to the same or related cause(s) as his prior Disability for which We made a payment.

Multiple Causes: If a period of Disability is extended by a new, unrelated cause while benefits are payable, benefits will continue while the Covered Person remains Disabled, subject to the following:

1. benefits will not continue beyond the end of the original Maximum Benefit Period; and
2. any Exclusions and Pre-existing Conditions Limitations will apply to the new cause of Disability.

Concurrent Disability: Benefits for a Concurrent Disability will be paid as if the Concurrent Disability were caused by one Injury or one Sickness. In no event will a Covered Person be considered to have more than one continuous period of Disability at the same time.

Concurrent Disability means: one continuous period of Disability that is caused by more than one Injury or Sickness.

Lump Sum Survivor Benefit: When We receive proof that the Covered Person died, We will pay his Spouse, if living, otherwise, his children under age 26, a lump sum benefit equal to 3 months of the Covered Person's monthly Gross Disability Payment if, on the date of the Covered Person's death:

1. his Disability had continued for 90 or more consecutive days; and
2. he was receiving or was entitled to receive a Monthly Payment under the Policy.

If the Covered Person has no living Spouse or children, payment will be made to his estate. However, We will first apply the survivor benefit to any overpayment which may exist on the Covered Person's claim.

WORKING RETURNS LONG TERM DISABILITY INSURANCE FOR COVERED PERSON (continued)

Workplace Modification Benefit: A workplace modification benefit may be payable to the Covered Person's Employer if a change is made to the work environment or the way a job is performed to allow the Covered Person to be Actively at Work and to perform the Material and Substantial Duties of his Regular Occupation, or any Gainful Occupation.

1. the Covered Person must be Disabled under the terms of the Policy;
2. the Employer must agree to make the necessary modifications so that the Covered Person can return to work; and

4. In considering any proposed modifications, We have the right to have the Covered Person evaluated by a Physician or other health care professional, or a vocational rehabilitation specialist of Our choice.

When the above qualifications are met, the Covered Person's Employer will be reimbursed for the cost of the modification up to a maximum amount for the Workplace Modification Benefit. This benefit is available to the Covered Person on a one-time-only basis, at Our discretion, and will be paid in addition to any other Disability benefits for which the Covered Person qualifies. The Workplace Modification Benefit maximum amount is \$5,000.

Rehabilitation Services: rehabilitation program is available to assist the Covered Person in his return to work. Participation in this program is voluntary on his part and will be offered at Our discretion.

Our vocational rehabilitation specialists will review the Covered Person's file to determine if rehabilitation services might help him return to a Gainful Occupation. Once the review is completed, We may offer and pay for a return to work program. We will work with the Covered Person's Physician and other appropriate specialists to develop a plan that best suits the Covered Person's needs.

The return to work program may include, but is not limited to, the following services:

During the Covered Person's participation in an approved rehabilitation program, his Gross Disability Payment will be increased by 5% for Rehabilitation Services.

In addition, We will make monthly payments to the Covered Person for 3 months following the date his Disability ends if We determine he is no longer Disabled while:

1. he is participating in Our rehabilitation program; and
2. he is not able to find employment.

Plan Amendment and Termination: The Plan Sponsor reserves the right to modify, suspend or terminate this Plan at any time. The Employer does not promise the continuation of any benefits nor does it promise any specific level of benefits at or during retirement. Any benefits, rights or obligations of participants and beneficiaries under this Plan following termination are described in detail in the Covered Person's Certificate of Coverage which precedes this ERISA information.

The Plan Sponsor adopts all provisions of the insurance policy issued by the Insurance Carrier, as amended from time to time, as part of this Plan when it arranges for and maintains the insurance provided for in the policy.

This provision applies only where the interpretation of the Policy is governed by the Employee Retirement Income Security Act (ERISA).

STATEMENT OF EMPLOYEE ERISA RIGHTS

The Employee Retirement Income Security Act of 1974 (ERISA) guarantees certain rights and protections to participants of welfare plans. Federal law and regulations require that a "Statement of ERISA Rights" be included in this description of the Plan.

You may examine, without charge, all Plan documents, including any insurance contracts, collective bargaining agreements, annual reports, summary plan descriptions and other documents filed with the Department of Labor. You can examine copies of these documents in the Plan Administrator's office or at other specified locations, or you can ask your supervisor where copies of the documents are available.

If you want a personal copy of Plan documents or related material, you should send a written request to the Plan Administrator. You will be charged only the actual cost of these copies.

You are entitled to receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. These individuals, called "fiduciaries," have an obligation to administer the Plan prudently and to act in the interest of Plan participants and beneficiaries. The named fiduciary for this Plan is the Plan Sponsor. No one, including the Employer or any other person, may fire a Covered Person or otherwise discriminate against a Covered Person in any way to prevent that person from obtaining a benefit or exercising their rights under ERISA.

When you become eligible for payments from the Plan, you should follow the appropriate steps for filing a claim. In case of claim denial, in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have your claim reviewed and reconsidered.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide you the materials and pay you up to \$110 per day until you receive your materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file a suit in a state or federal court provided you have exhausted the procedures and complied with the timeframes for review of the adverse claim decision provided below. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay costs and legal fees. For example, if you are successful, the court may order the person you sued to pay those costs and fees. If you lose or if the court finds your suit to be frivolous, you may be ordered to pay these costs and fees.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, contact the nearest Area Office of the Employee Benefits Security Administration, United States Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

CLAIMS DENIAL FOR LIFE INSURANCE

Notice of a decision to deny a claim (in whole or in part) shall be furnished to the claimant within 90 days following the receipt of the claim or within 90 days following the expiration of the initial 90 day period, in a case where there are special circumstances requiring extension of time for processing the claim. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the expiration of the initial 90 day period.

The notice of extension shall indicate the special circumstances requiring the extension and the date by which the notice of decision with respect to the claim is expected to be furnished. If a claim is denied (in whole or in part) notice shall be provided to the claimant in writing and shall set forth: 1) the reason(s) for the denial; 2) reference to the provision(s) of the Plan on which the denial is based; 3) a description of any additional material or information necessary for the claimant to perfect the claim, if the claim was denied because the claimant failed to provide all necessary information, and an explanation of why such material or information is necessary; and 4) an explanation of the claim review procedure. If written notice of the denial is not furnished to the claimant within 90 days (or if an extension was required, 180 days) from the date the claim was received, the claim shall be deemed denied and the claimant shall then be permitted to proceed with the procedure set forth below.

REVIEW OF DENIED CLAIMS AND COMPLAINT PROCEDURE FOR LIFE INSURANCE

If a covered person or any person claiming through a covered person wishes to have a denied claim reviewed, a written request must be sent to the address identified in the claim denial letter.

Any complaint or dispute related to review of denied claims shall be resolved in accordance with the procedure set forth by the Plan Sponsor and outlined below.

1. The complainant may contact the Insurance Carrier's service representative in an attempt to resolve the complaint in an informal manner.
2. If the complainant is not satisfied with any attempts at informal resolution, the complainant must submit a written request for review of a denied claim or a written notice of the complaint or dispute to the address identified on the claim denial letter within 60 days of receipt of the claim denial notice. The complainant may submit supporting documentation or information to be considered. The complainant must submit any requested additional information or documents.
3. A written notice of the final decision will usually be sent to the complainant within 60 days of receipt of the written request for review of a denied claim or notice of a complaint or dispute. However, if special circumstances require an extension of time to reach a final decision, written notice of the final decision will be sent as soon as possible following the expiration of the initial 60 day period, but no later than 120 days following receipt of the request for review of a denied claim or notice of a complaint or dispute. If special circumstances require such an extension of time, written notice of the extension shall be furnished to the complainant prior to the expiration of the initial 60 day period. The written notice of the final decision will give specific reason(s) for the decision and references to the provision(s) of the Plan on which the decision is based. If the final written decision is not furnished to the complainant within 60 days (or if an extension was required, 120 days) from the date of receipt of the request for review of a denied claim or notice of a complaint or dispute, the request for review or the complaint or dispute shall be deemed to be rejected and denied on review.

CLAIMS DENIAL FOR DISABILITY INSURANCE

Notice of a decision to deny a claim (in whole or in part) shall be furnished to the claimant within 45 days following the receipt of the claim. Up to two extensions of 30 days each will be allowed for processing the claim for matters beyond the Plan's control or if additional information is needed from the claimant. If special circumstances require an extension of time for processing the claim, written notice of the extension shall be furnished to the claimant prior to the expiration of the initial 45 day period.

The notice of extension shall indicate the special circumstances requiring the extension and the date by which the notice of decision with respect to the claim is expected to be furnished. If a claim is denied (in whole or in part) notice shall be provided to the claimant in writing and shall set forth: 1) the reason(s) for the denial; 2) reference to the provision(s) of the Plan on which the denial is based; 3) a description of any additional material or information necessary for the claimant to perfect the claim, if the claim was denied because the claimant failed to provide all necessary information, and an explanation of why such material or information is necessary; and 4) an explanation of the claim review procedure. If written notice of the denial is not furnished to the claimant within 45 days (or if an extension was required, 105 days) from the date the claim was received, the claim shall be deemed denied and the claimant shall then be permitted to proceed with the procedure set forth below.

REVIEW OF DENIED CLAIMS AND COMPLAINT PROCEDURE FOR DISABILITY INSURANCE

If a covered person or any person claiming through a covered person wishes to have a denied claim reviewed, a written request must be sent to the address identified in the claim denial letter.

Any complaint or dispute related to review of denied claims shall be resolved in accordance with the procedure set forth by the Plan Sponsor and outlined below.

1. The complainant may contact the Insurance Carrier's service representative in an attempt to resolve the complaint in an informal manner.
2. If the complainant is not satisfied with any attempts at informal resolution, the complainant must submit a written request for review of a denied claim or a written notice of the complaint or dispute to the address identified on the claim denial letter within 180 days of receipt of the claim denial notice. The complainant may submit supporting documentation or information to be considered. The complainant must submit any requested additional information or documents.
3. A written notice of the final decision will usually be sent to the complainant within 45 days of receipt of the written request for review of a denied claim or notice of a complaint or dispute. However, if special circumstances require an extension of time to reach a final decision, written notice of the final decision will be sent as soon as possible following the expiration of the initial 45 day period, but no later than 90 days following receipt of the request for review of a denied claim or notice of a complaint or dispute. If special circumstances require such an extension of time, written notice of the extension shall be furnished to the complainant prior to the expiration of the initial 45 day period. The written notice of the final decision will give specific reason(s) for the decision and references to the provision(s) of the Plan on which the decision is based. If the final written decision is not furnished to the complainant within 45 days (or if an extension was required, 90 days) from the date of receipt of the request for review of a denied claim or notice of a complaint or dispute, the request for review or the complaint or dispute shall be deemed to be rejected and denied on review.

**NOTICE OF
PROTECTION PROVIDED BY
VIRGINIA LIFE, ACCIDENT AND SICKNESS
INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or health insurance company licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
 - o \$300,000 in death benefits
 - o \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$300,000 in disability income insurance benefits
 - o \$300,000 in long-term care insurance benefits
 - o \$100,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000, except for hospital, medical and surgical insurance benefits, for which the limit is increased to \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association's website at www.valifega.org or contact:
