## NEW SERVICES ANNOUNCED!

Beginning this month we are excited to offer **two new services** for our loyal customers!

### Secure Printing with Expiring Ink

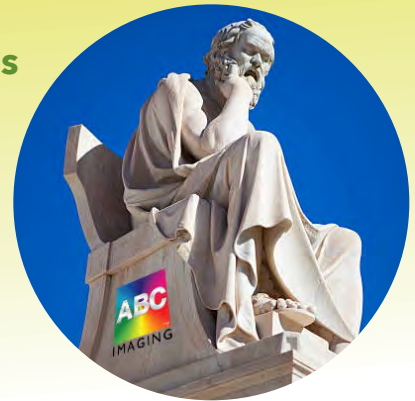

This is the perfect solution for your clients with security concerns. Our specially formulated inks combine with the highest quality transfer materials to reliably evaporate within minutes after printing. The resulting image is absolutely invisible to the human eye and cannot be read with any special lights or equipment. The Emperor's Clothes line is sure to be attractive to your most private clients. Check out this sample image below:

### 4D Printing offered at select locations

The success of our 2D and 3D businesses have paved the way for this exciting new service! Building on the two- and three-dimensional technology, we can now create projects with the fourth dimension: TIME!

Imagine printing your childhood home and instantly creating a separate bedroom for your annoying little brother! Or have Socrates sculpted with an ABC Imaging logo. The possibilities are endless!

## **OG RE\$A**, Olympic Snowboarder, Alexandria, VA

Did you know ABC Imaging has its own Olympic Snowboarder? OG has just returned from his latest competition in Pyeongchang. This year he only won six medals, unable to match his prior record of 15 medals in one year. In the summer, OG also competes in the X Games, participating in extreme sports like motocross, skateboarding and bungee jumping. OG says all the vibrations help to relieve his stress from being the spokesmodel for Red Bull, Monster, 5-Hour Energy, and Rockstar energy drink brands.

## **DIDIER DROGBA**

*Wannabe International Soccer Star, New York*

Didier is an avid supporter of the Premier League football club Chelsea and a long time ABC Imaging employee. Didier is especially fond of the HR and Payroll departments and often brags to friends about how terrific they are. "It really is an honor to work with such a high quality team! I have to pinch myself every morning, well... every afternoon...when I wake up and go to work because I'm sure I'm dreaming!" In his spare time Didier likes to watch Chelsea football matches and think about all the ways HR and Payroll make his life so wonderful.

## **IDEM IFASLAF**

*Summer Intern, Alexandria, VA*

Please welcome Idem to ABC Imaging, he is our newest Summer Intern. Idem will be traveling coast to coast with a documentary film crew, visiting different shops and showcasing how the printing industry works. Any resemblance to someone you may know is coincidental.
